Making the Pieced Rectangles

1. Stack the 2½” x 5” Background, Inner Trail Green and Outer Trail rectangles wrong sides together in pairs, wrong sides together.

2. Cut each stack diagonally once.

3. Layer all triangles right side up.

4. Place Background with Trails to make the shape of a rectangle.
5. With right sides together sew the left Green to the Background. Begin your stitching line where the Background tip hangs over the Green.

6. Press seams away from the Green.

7. With the Half Rectangle template right side up, line up the diagonal line on the seam line and square up patches.

8. With right sides together sew the right Green to the Background. Begin your stitching line where the Green tip hangs over the Background.
9. Press seams towards the Green.

10. With the Half Rectangle template upside down, line up the diagonal line on the seam line and square up patches.

11. Lay out the left and right rectangles. Flip the one on the right over the one on the left. Sew. The seams will lock.

12. Press the seam on the Green to the left and the seam on the Dark Green to the right.

Make Four Corner Patches

1. Cut the 4” Background squares on one diagonal.

2. Center the Background triangle along one side of the 4½” Accent Purple square.

3. Place right sides together and sew. Press seam towards Background. Trim off tips.
4. Place another triangle along the next side of the square. Center and sew. Begin sewing where the Background triangles overlap.

5. Sliver trim edge ¼" away from point.

6. Sew Green and Background sections to Accent Purple patch.

7. Press seam towards Green.
Completing the Block

1. Cut 9½” Square on both diagonals.

2. Layout with sewn patches and 6½” Dark Accent Purple square.

3. Sew to complete the Rows. Press seams towards Background Triangles.

4. Sew Rows together. Press away from center Row. Square up Block to 16½”.
